*Our beef has been especially dry aged on the bone exclusively for us, by Godden's butchers of Chesham, Buckinghamshire. This aging process leads to a more tender steak with excellent depth of flavour. The beef used has been specially selected from high quality cattle reared in the West Country.

*All our dishes are cooked to order using fresh produce & ingredients delivered daily, mainly from local suppliers.

*All our fish is delivered daily by Kingfisher, Brixham market, Devon & is from sustainable sources.

*We only serve fair trade coffee.

*We are happy to serve you tap water but ask that you make a **75p** donation per jug to our charity **WaterAid** which provides clean water to those who don't have it. Our customers have now risen over **£10,000**.

*We endeavour to serve you in good time but during busy periods there may be a small delay.

Fresh food isn't always fast food.
