Menu descriptions do not list all ingredients. Please let us know if you have any food allergies.

Our beef has been especially aged on the bone exclusively for us, by Godden's butchers of Chesham, Buckinghamshire.

This aging process leads to a more tender steak with excellent depth of flavour.

The beef used has been specially selected from high quality cattle reared in the West Country.

All our dishes are cooked to order using fresh produce, delivered daily and from local suppliers.

All our fish is supplied daily by Kingfisher, Brixham Market, Devon and is from sustainable sources.

We are happy to serve you tap water but ask that you make a **75p** donation per jug to our charity WaterAid, providing clean water to those who do not have it.

We endeavour to serve you in good time but during busy periods there may be a small delay.
